Educational Technology and Related Education Conferences for January to June 2012

Abstract

This 26th version of the conference list covers selected events from four continents. The list focuses primarily on the use of technology in educational settings and on teaching, learning, and educational administration. Only listings until June 30, 2012 are complete as dates, locations, or Internet addresses (URLs) were not available for a number of events held after this date. (The December 2011 listings have been updated from the previous list.)
