In qualitative research, interviewing is one of the most popular and widely-used methods to generate data. For novices to... Preparation for a qualitative interview begins long before recruitment of participants and scheduling a time to talk to someone about a research topic. The planning phase begins with identifying a research topic and designing...
the study. Researchers must answer these questions: What research questions will add to understanding of the topic? A central repository of coworking statistics, surveys, research paper and studies from around the world. It is organized with the two main global surveys on top, followed by national surveys, then those of coworking spaces themselves and of other related business, and then academic research on coworking. If you think I’m missing something, please send me the link. Emergent Research Coworking Survey. 2018. US Coworking Forecast 2018-2020. The Importance of the Social Side of Coworking. 2017. Coworking Is About Feeling Less Lonely.
